INFORMATION FOR BIDDERS

Separate sealed BIDS for **ASPHALT PLANT MIX, LAID IN PLACE** for the Limestone County Commission, 310 West Washington Street, Athens, AL 35611, consisting of furnishing asphalt plant mix, testing, labor, supervision, fuel, lubricants, maintenance and equipment for constructing the work items, will be received by the Limestone County Commission, 310 West Washington Street, Athens, AL until **10:00a.m., Central Daylight Time, March 15th, 2022**, and will be publicly opened and read aloud at that time. Each sealed envelope containing a BID must be plainly marked on the outside as **BID FOR ASPHALT PLANT MIX, LAID IN PLACE, LIMESTONE COUNTY COMMISSION, ATHENS ALABAMA.** All bids must be on the required bid form contained herein.

The OWNER may waive any informalities or minor defects or reject any or all bids. Notice to proceed for the various segments of work shall be provided by the County Engineer. The period of the contract shall be from April 1, 2022 or the date of the Agreement, whichever is later, until September 30, 2023.

This contract may be cancelled at any time by the Limestone County Commission with 45 days written notice given to the contractor. The contractor may forfeit this contract, without penalty, on April 1, 2023 with 45 days prior written notice given to the Limestone County Commission.

Copies of these contract documents are available for procurement by prospective bidders at the office of the Limestone County Commission, 310 West Washington Street, Athens, Alabama.

The quantities shown in the bid schedule are for the purpose of determining the lowest overall bid only and actual quantities placed under this contract will vary significantly from the quantities shown. The locations where this work will be performed has not been determined at this time and may be anywhere within the boundaries of Limestone County.

The CONTRACT DOCUMENTS contain the provisions required for the construction of the PROJECT. Information obtained from an officer, agent, or employee of the OWNER or any other person shall not affect the risks or obligations assumed by the CONTRACTOR or relieve him from fulfilling any of the conditions of the CONTRACT.

Each BID must be accompanied by a BID BOND payable to the OWNER for 5 percent (5%) of the total amount of the BID with a maximum limit of \$10,000. As soon as the CONTRACT has been awarded the BID BOND of all unsuccessful BIDDERS will be returned. The BID BOND

of the successful BIDDER will be retained until the PAYMENT BOND and the PERFORMANCE BOND have been executed and approved, after which it will be returned. A certified check may be used in lieu of a BID BOND.

A PERFORMANCE BOND, in the amount of 100% of the CONTRACT PRICE with a corporate surety approved by the OWNER, will be required for the faithful performance of the contract.

A PAYMENT BOND, payable to the Limestone County Commission, shall be executed in the amount of 50% of the CONTRACT PRICE, with the obligation that the contractor shall promptly make payments to all persons supplying labor, materials, or supplies for or in the prosecution of the work provided in the contract and for the payment of reasonable attorney's fees incurred by successful claimants of plaintiffs in civil actions on the bond.

Attorneys-in-fact who sign BID BONDS or PAYMENT BONDS and PERFORMANCE BONDS must file with each bond a certified and effective dated copy of their power of attorney.

The party to whom the contract is awarded will be required to execute the AGREEMENT and obtain the PERFORMANCE BOND and PAYMENT BOND within ten calendar days from the date when NOTICE OF AWARD is delivered to the BIDDER. The NOTICE OF AWARD shall be accompanied by the necessary AGREEMENT and bond forms. In case of failure of the BIDDER to execute the AGREEMENT, the OWNER may at his option consider the BIDDER in default, in which case the BID BOND accompanying the proposal shall become the property of the OWNER.

The OWNER within 10 days of receipt of acceptable PERFORMANCE BOND, PAYMENT BOND and AGREEMENT signed by the party to whom the AGREEMENT was awarded shall sign the Agreement and return to such party an executed duplicate of the AGREEMENT. Should the OWNER not execute the AGREEMENT within such period, the BIDDER may, by written notice, withdraw his signed AGREEMENT. Such notice of withdrawal shall be effective upon receipt of the notice of the owner.

The OWNER may make such investigations as he deems necessary to determine the ability of the BIDDER to perform the WORK, and the BIDDER shall furnish to the OWNER all such information and data for this purpose as the OWNER may request. The OWNER reserves the right to reject any BID if the evidence submitted by, or investigation of, such BIDDER fails to satisfy the OWNER that such BIDDER is properly qualified to carry out the obligations of the Agreement and to complete the WORK contemplated therein.

A conditional or qualified BID will not be accepted.

Award will be made as a whole to one BIDDER.

All applicable laws, ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract.

The attention of all BIDDERS is called to the provisions of CONTRACTOR'S ALABAMA LICENSE LAW governing "General Contractors" as set forth in Chapter 8 of Title 34 of the Code of Alabama as amended; and BIDDERS will be governed by said law insofar as it is applicable. The above-mentioned provisions of the CODE provides that no one is entitled to bid and no contract may be awarded to anyone who does not possess a valid General Contractor's permit or license as provided by the foregoing section of the Code and that his BID may not be considered without producing evidence that he is so qualified. The OWNER may not enter into a CONTRACT with a non-resident corporation which has not qualified under the State laws to do business in the State of Alabama. It is expressly noted for this project that the CONTRACTOR must be licensed under the specialty classification of Highways and Streets.

The Contractor shall purchase and maintain such insurance as will protect him from claims set forth below which may arise out of or result from the Contractor's execution of the WORK, whether such execution be by himself or by any Subcontractor or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: claims under the workmen's compensation, disability benefit and other similar employee benefit acts; claims for damages because of bodily injury, occupational sickness or disease, or death of his employees; claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees; claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Contractor, or (2) by any other person; and claims for damages because of injury to or destruction of tangible property, including loss of use resulting therefrom.

Certificates of Insurance acceptable to the OWNER shall be filed with the OWNER prior to commencement of the WORK. These Certificates shall contain a provision that coverage afforded under the policies will not be canceled unless at least fifteen (15) days prior WRITTEN NOTICE has been given to the OWNER.

The Contractor shall procure and maintain, at his own expense, during the CONTRACT TIME, liability insurance as hereinafter specified;

Contractor's General Public Liability and Property Damage Insurance including vehicle coverage issued to the Contractor and protecting him from all claims for personal injury, including death, and all claims for destruction of or damage to property, arising out of or in connection with any operations under the CONTRACT DOCUMENTS, whether such operations be by himself or by any Subcontractor under him, or anyone directly or indirectly employed by the Contractor or by a Subcontractor under him. Insurance shall be written with a limit of liability of not less than \$1,000,000 for all damages arising out of bodily injury, including death, at any time resulting therefrom, sustained by any one person in any one accident; and a limit of liability of not less than \$1,000,000 for any such damages sustained by two or more persons in any one accident. Insurance shall be written with a limit of liability of not less than \$500,000 for all property damage sustained by any one person in any one accident; and a limit of liability of not less than \$1,000,000 for any such damage sustained by two or more persons in any one accident.

The Contractor shall procure and maintain, at his own expense, during the CONTRACT TIME, in accordance with the provisions of the laws of the state in which the work is performed, Workmen's Compensation Insurance, including occupational disease provisions, for all of his employees at the site of the WORK and in case any work is sublet, the Contractor shall require such Subcontractor similarly to provide Workmen's Compensation Insurance, including occupational disease provisions for all of the latter's employees unless such employees are covered by the protection afforded by the CONTRACTOR. In case any class of employees engaged in hazardous work under this contract at the site of the PROJECT is not protected under Workmen's Compensation statute, the CONTRACTOR shall provide, and shall cause each Subcontractor to provide, adequate and suitable insurance for the protection of his employees.

These instructions and bid items, together with the following specifications, BID BOND, PERFORMANCE BOND, PAYMENT BOND, AND AGREEMENT constitute the contract documents.

Payment shall be net monthly, without retainage, with estimate prepared and approved by the County Engineer.

SPECIFICATIONS AND CONSTRUCTION REQUIREMENTS

1. Construction materials, equipment and procedures shall be in accordance with the Alabama Department of Transportation Standard Specifications for Highway Construction, 2018 Edition, Sections 424 and any Special Provisions issued by the Alabama Department of Transportation.
2. The CONTRACTOR will furnish equipment, labor, fuel, lubricants, supervision, insurance, administration, maintenance and repairs, and all incidentals and appurtenances for the production, transportation, and placement of Asphalt Plant Mix within Limestone County, Alabama.
3. This contract will cover PROJECTS to be determined during the contract period by the Limestone County Commission. The Contractor will begin work on any given PROJECT within 20 working days from issuance of a Notice to Proceed. If contractor cannot begin project within 20 working days, Contractor must request written time extension or Limestone County Commission may utilize other contracts to ensure project completion.
4. Each load of plant mix delivered to the PROJECT will be visually inspected by the County Engineer or his designee. If, in the opinion of the County Engineer or his designee, the mix delivered to the jobsite is unsuitable for the intended use, the County Engineer or his designee may refuse that load of mix and order it returned to the plant. No payment will be made for any mix not placed on the PROJECT. Compaction shall be to the satisfaction of the County Engineer or his designee.
5. Bituminous Material Price Adjustment as defined by ALDOT specifications and special provisions shall be applied to material placed under this contract. The base month for these adjustments shall be March 2022.

6. The contract unit price for Mobilization shall include all equipment, fuel manpower, etc. necessary to move the equipment required to accomplish the work associated with each PROJECT to the PROJECT site. The contract unit price for Mobilization shall be paid one time on each PROJECT.
7. The CONTRACTOR shall be responsible for security and maintenance of his equipment on a continuous basis during the contract period.
8. Traffic Control shall be the responsibility of the CONTRACTOR for all work performed under this contract. Traffic Control will be as shown on the attached sheet titled "Traffic Control Plan, Two-Lane Highway, One Lane Closed" (copy attached). The CONTRACTOR will furnish all signs, vehicles, flaggers, paddles, cones and other devices as shown on the drawing at no additional cost to the contract. The use of cones may be omitted with the concurrence of the County Engineer.
9. Contractors tendering proposals or bids for this contract shall exhibit inherent capability to provide equipment and supervision to efficiently place a minimum of 1000 tons of asphalt plant mix each day. At the request of the County Commission, the bidders shall provide a list of equipment which is presently owned and operated on a regular basis by the contractor tendering the bid.
10. Tack Coat will be applied as directed by the County Engineer and the cost of such included in the per ton contract price.
11. Bituminous Concrete Base Layer, Widening, shall include cutting out existing shoulder material to the depth specified by the Engineer and blading the material back up to the edge of the pavement after placement of the widening mix.
12. Quantities shown herein are for the purpose of determining the lowest bidder based on all expected items of work. Final quantities placed during the contract period will vary significantly from the estimated quantities below.
